

BERMUDA CONCIERGE SERVICE

The Bermuda Business Development Agency (BDA) offers a Concierge Service to all new businesses establishing a presence in Bermuda. The BDA provides a primary point of contact to help clients navigate through the respective Ministries and facilitate dialogue with the Bermuda Monetary Authority and key contacts within the business community. It is the BDA's objective to make doing business in Bermuda easier and more efficient.

HOW CAN THE CONCIERGE ASSIST?

- Prescreen all categories of work permit applications to ensure completeness and obtain priority status when submitting applications to the **Department of Immigration**. Upon approval, the Concierge Service will arrange delivery or collection of the work permit(s).
- Expedite all visa waiver requests for those individuals looking to establish a new company or invest in Bermuda.
- Oversee applications to **The Office of the Tax Commissioner** for a new payroll account and receive new account details next day.
- Liaise with the **Bermuda Monetary Authority, Department of Immigration, Ministry of Finance** and **Registrar of Companies** on new incorporations and monitor the processing of new applications.
- Facilitate dialogue with the **Department of Immigration** for senior executives eligible for permanent residency status under The Incentives for Job Makers Act 2011.
- Connect new businesses with key professionals and associations within the business community to build a strategic network.

WHY BERMUDA?

Bermuda is a leading financial centre, that is highly regarded for its global standards of compliance, regulation and infrastructure.

With 40 Tax Treaties in place, Bermuda holds a very high rating within the Organization of Economic Development (OECD) and is lauded a first class domicile.

Bermuda is recognized as a preferred domicile by many international businesses for its ability to offer one-stop-shop solutions. Bermuda is home to a diverse group of industries including asset managers, fund administrators, trustees, wealth managers, (re)insurers, captive managers, lawyers, accountants, brokers, private clients, and partnerships.

Bermuda is well placed between most gateway cities and a direct flight can transport you to our premier financial centre where our expertise is rivaled only by the Island's natural beauty.
