

## BEESMONT LAW LIMITED ASSISTS CIRCLE ACQUIRE BERMUDA'S FIRST FULL DIGITAL ASSET BUSINESS LICENCE

BeesMont Law Limited would like to congratulate Circle International Bermuda Limited, a subsidiary of Circle and a member of the Circle Group, for being the first company to receive a Class F Digital Asset Business Act Licence issued by the Bermuda Monetary Authority. BeesMont Law Limited's Technology & Innovation Team advised and assisted Circle International Bermuda Limited, and the Circle Group, in completing their Digital Asset Business Licence application and launching the subsidiary in Bermuda. BeesMont's Technology & Innovation Team provides advice and legal support with respect to the establishment, regulatory, compliance, and business operations of digital asset business companies in Bermuda. Circle, as a well-respected globally operating fintech group, has shown confidence in Bermuda's comprehensive regulatory framework; and BeesMont looks forward to helping Circle develop and expand their global presence and offerings going forward.
